Your first Cheshire and Merseyside Athletics Network Newsletter

This newsletter aims to keep both the Cheshire and Merseyside Athletic Networks in touch with each other. This will be a monthly newsletter which contains news, information and details of the workings of the networks and shout about all the good work which is taking place!

So, if you or your club has anything to shout about, contact your Athletics Network Coordinator at the details below and get your good news promoted across two counties!

Cheshire Athletics Network

The Cheshire Athletics Network became official back in May 2010 with the support of their Club and Coach Support Officer, Sarah Friday. The network comprises of 8 clubs with a mixture of track and field and road running.

The networks Year 1 objectives are:

- Develop network club structures
- Increase performance and participation in Hammer and Discus
- Develop coaches knowledge in areas such as strength and conditioning
- Increase performance and participation in Polevault
- Increase performance and participation in Endurance
- Volunteer utilization
- Network with schools
- Marketing and promotion of clubs in network

Merseyside Athletics Network

Before the network became an official McCain network, it existed as the Merseyside Athletics Forum which was formed over six years ago. It soon became a well established county athletics development group working alongside the Merseyside Athletics Association, the County Sport Partnership, six Local Authorities and fifteen School Sports Partnerships.

The network now has some key objectives for Year 1 which include;

- increasing the number of coaches
- supporting with the promotion of local athletic events
- raising the profile of the network clubs
- devise a mentoring support system for all coaches within the network
- deliver coach workshops and seminars
- increase the number of Clubmark clubs
- recruit and retain marshals and officials
- deliver coach and athlete development squads

Success at the first Cheshire Coach and Athlete Development Day 2010

On the 9th October 2010, Cheshire Athletics Network hosted another successful event; a Coach and Athlete Development Day. The idea for the day was thought up by Bob Lynch of Macclesfield Harriers, who, with many years of coaching experience, wanted to use the day for coaches and athletes to develop not just their specific events, but also to open their minds to non-traditional athletics events such as aqua-jogging, pilates and gymnastics. Bob explained %b was quite different to normal training sessions, but then this is what was planned. Hopefully people took away some ideas and techniques that will benefit them in their chosen events.+

The first part of the day involved coaches and athletes splitting off into their event groups which were Hammer, Discus, Endurance and Polevault. Each event had a lead coach (Rod Grant-smith- Polevault, Ronnie and Mike Bomba- Hammer and Discus and Pauline Lynch- Endurance) who worked in groups with both coaches and athletes. Pauline, the Endurance Coach for event stated, %the whole idea of the endurance session was to allow a large group of athletes of different ages and abilities to spark off one another and to sample a series of training sessions that were deliberately designed to take people out of their comfort zone. It is essential to be able to train above your normal race pace for at least half your normal distance, if you want to run faster for longer. Certainly on the day everybody entered fully into the spirit of the sessions+.

The second part of the day then saw coaches and athletes taking part in Aqua Jogging, Gymnastics and Pilates. These activities, lead by instructors from Macclesfield Leisure Centre, gave all involved different ideas of training for strength and conditioning and injury rehabilitation. One coach who attended the day said %doved the aqua aerobics, it was an excellent day for both coach and athlete.+

This was the second event held by the Cheshire Athletics Network with 43 coaches and athletes from the following clubs attending South Cheshire, West Cheshire, Spectrum Striders, Macclesfield AC, Crewe and Nantwich AC, Warrington AC, Dash AC and even Liverpool and Pembroke AC. Bob Lynch event organiser said %his first development day put on by the Cheshire Athletics network was a real success. It clearly demonstrated that a number of clubs, coaches and athletes can come together to share experiences and benefit from collective training. Yes it was hard and challenging but I look forward to being able to participate in the next day in the series.+

UKA Women's Coaching Advisory Committee

The UKA Women in Coaching Advisory Committee was formed in 2010 and met for the first time in June. The group is tasked primarily with contributing to the development of a strategy for women in coaching initiatives; to make recommendations with regards to women specific programming; to provide a voice for female coaches and to form another key strand of UK-led Year of the Coach activity in 2010. The long term key objectives of the Committee is to help create opportunities for female coaches to raise standard, number and profile of female coaches working with athletes at every level.
