Further courses were held in Sports City in May and Wavertree in April to which Cheshire were invited.

3. Awards

Ellen Molloy was awarded the John Young Award for services to Cheshire Athletics. She edits the Cheshire Newsletter.

4. Accidents

No accidents were reported in the year.

5. Secretary's Comments

- a) During the course of the year our President, George Bunner stood down from office. I would like to extend a word of appreciation for all the work he has done on behalf of Cheshire over the years. His absence will most certainly be felt.
- b) Thanks once again to our web master, Ashley Pritchard and Newsletter editor Ellen Molloy (aided and abetted by John Driscoll) for continuing to provide an excellent service.
- c) This year, 5 Road Race County Championships were staged in the belief that it would swell entries in the race which was hosting it. In the event, it made very little difference to the entries.
- d) Road Running, the dominant sector in athletics has the appeal of the The Road Race Grand Prix to add interest to the Borders League, thanks to the dedication given to it by Adrian Thiemicke, John Driscoll and David Nalder.
- e) England Athletics NW has got to grips with Officials and Coaching but their attitude to competition is still not clear and the future of Northern Athletics, who stage competition, is facing funding problems.
- f) The Committee met 8 times this year. On one occasion there were only 3 present; clearly not a quorum. Having reduced the number of meetings from monthly to 8 per year, we have not succeeded in gathering bigger numbers. This continues to be a matter of some concern. However, we are fortunate in having a dedicated few who keep it running
- e) The County continued to provide a wide spectrum of athletics in Cheshire, but problems have been encountered with Road Races in towns where road closures are involved. This can involve costs which will jeopardise future races in those towns. This, of course, is a national problem and it affects that sector of athletics which has the greatest participation.
