NOTES :

* Malcolm Fowler is first claim Salford H, but was entered as in previous years by Wilmslow. When trying to get the team results sorted, we missed him as a non-counter, hence the mess-up at the presentation. My own view is that all athletes should enter under their first claim club to avoid this sort of confusion.

Many thanks to Gill Gore and Alan Morris who not only recorded numbers but for both Senior races indicated club and age group status which saved a tremendous amount of time and effort when sorting out the team and age group awards for seniors and veterans. Please note not all vets were indicated as such on the programme - we had to guess and may therefore have missed some.

COUNTY ELIGIBILITY

At least one athlete to my knowledge should not have entered as that person was not born in, nor lives in the 'new' Cheshire. The athlete in question is aware of the situation but stated that the "eligibility" statement on the entry form was not read!
In other County Championship events we have the same problem of a few athletes particularly from the west side who are unable to grasp what the Eligibility Rules are for County Champs.
