NOTICE TO ALL TEAM MANAGERS

To help us get the award winners sorted out rapidly at the last fixture on 25th February at Macclesfield would you please hand in your teams sheets **immediately** after each race. Thank you.

Additions/Corrections to results from Round 1 :

Mens Race : 38th was G Carless (Crewe & Nantwich)
Ladies Race : 21 L Smallbone
63 M Mace, both from Cheadle are Vets.

Contacts List : Colwyn Bay is G Prior not Fryer

SPECIAL NOTICE TO SENIOR/VETERAN MENS TEAM MANAGERS - if this is not you, please pass on :

Several Clubs have counted Vets on both senior and veteran team sheets. Vets can only count in one team - if you wish to count a vet in the senior team, please put him on the senior team sheet and indicate that he is a vet in the appropriate column, otherwise put all vets on the vets sheet!. I have had to rescore several clubs in both rounds because of this. In addition, for several other clubs, I have added a partial vets team where they have included a non-scoring vet(s) on the senior sheet and not handed in a vets sheet. My generosity stops here - it will not be done in round 3 as there is simply not enough time!.
