Team Scoring (more) :

When two (or more) clubs have the same number of points, the team which is placed highest is that with the lowest placed last counter (that is, the runner nearest to first place).

THANKS to :

Roy Tunstall and his team of helpers from Helsby RC for setting out the course, marshalling and then clearing up (after he had run!).

Our Officials in rather difficult conditions.

Team Managers for completing the increasingly damp team envelopes (pencil is better than pen). Hopefully I have managed to decipher all of the names correctly (christian names make it more friendly!).

If there are any mistakes please let me know BEFORE the next event - John Driscoll (Tel : 0151 339 5341)

NEXT LEAGUE EVENT : 18 February at the Leisure Centre/Athletics Track, Macclesfield.

FIRST RACE 1. OPPU

SAME RACE SEQUENCE AS before Ullig -----> SH.
