The Executive doubt whether it would be possible to experience worse conditions for the Championships than existed at Hyde caused through the fog, and they desire to express their sincere thanks to all those good folk who made it possible to carry the Championships through without hitch.

To East Cheshire Harriers, may we give our sincere thanks for staging the event so well, and to them also goes our sympathy that the elements should cover all the very fine arrangements they had made.

Thank you also all the runners for your fine sportsmanship under such conditions. No praise can be high enough also to the Officials who carried the programme through without a single mistake.

Finally and by no means least, our thanks to the Mayor and Mayoress of Hyde (Councillor & Mrs. Breakey) who both performed their accepted duties in a manner which made the Executive very pleased that they had taken the Championships for 1954 to Hyde.
