*The keen-eyed will notice that some of the overall points totals for individuals and particularly for teams are not the same as those announced "on the day". As the results sheets were being prepared it was found that a few clubs had not handed in team sheets, hence the recalculations. There were one or two addition errors as well. However none of these affected the awards presented - fortunately.*

*However, one mistake which is down to me - Veteran Men, Rob Taylor of Stockport was second equal. My apologies. I missed him in the rush to get the senior/vet mens results out - I'll slow down a bit next time, but you will have to wait a bit longer!*
