

Cheshire County AA wish to thank all who were involved in the organisation and managing our annual cross-country championships at Reaseheath College, Nantwich on Saturday, February 13th. In particular, we wish to acknowledge, the large amount of work put in by South Cheshire Harriers and Crewe & Nantwich AC over an extended period of time in designing the course, making the arrangements with the College (whose assistance we appreciate) and expertly dealing with the problems of the postponement due to inclement weather and ground conditions for the initial date in January. Many thanks in particular to Stephen Whincup (South Cheshire Harriers) who acted as Championship secretary and then Clerk of the Course on the day.
